USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

***EHV-1 Precautions/Horse Health Requirements for Entry:** Please see Special Requirements for Entry/Vet Health Certificate dated within 7 days of arrival/Current EVH Vaccination/Daily Temperature Log/Horse NOT competed outside of Wellington within 10 days of arrival. It is recommended that all horses stabling on the show grounds arrive between 8:00 am and 5:00 pm. If it is necessary to arrive at any other time, you must make arrangements with the show office prior to arrival. Management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following some basic recommendations listed below. Please monitor our web site for any additional and possibly mandatory requirements.

1. **Lexington, Ky.** - In January, the USEF Board of Directors approved an addition to the rule book, which outlines equine vaccination requirements at licensed competitions. Beginning December 1, 2015, all horses entering the grounds of a Federation-licensed competition must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. **This is mandatory for every horse entry. See Rule GR845.**

Statement of Health must be signed by a licensed veterinarian within 7 days of arrival at showgrounds for each competition and must be available upon request by either security or the show office.

2. Documenting that the horse has:
 - o **Received regular and consistent vaccination against Equine influenza and EHV 1 & 4 with most recent booster being within 90 days and not within 7 days. Written statements from Vet explaining reasons for being boosted within 180 Days MAY be accepted. IN NO CASES MAY THE BOOSTER BE WITHIN 7 DAYS OR OUTSIDE OF 180 DAYS.** Not shown symptoms of or been treated for EHV-4/1 within the past 28 days. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.
3. A current negative EIA (coggins) test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 90 days. Check with your veterinarian about which vaccine you use.
4. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended.
5. **You should be able to document your horse's normal temperature twice daily before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature of 101.5F for more than a 24 hour period, please consult your local Veterinarian immediately & Show.**
6. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses and your neighbors horses' health.
7. **Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Show Management. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.**

Please take the time to review equine good hygiene practices and impress its importance to your groom

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition
is recognized
by USDF
for 2025**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
